Department of Economics, Loeb Building B 844, Carleton University

EDUCATION

Carleton University , Ottawa, Canada Ph.D. in Economics Supervisor: Louis-Philippe Beland	2020–2026 (<i>expected</i>)
University of Illinois at Urbana Champaign , Illinois, United States M.S. in Economics (specialized in Econometrics)	2019
Henan University , Henan, China Bachelor of Economics (major in finance)	2017

RESEARCH INTERESTS

Applied Microeconomics; Health Economics; Public Economics

WORKING PAPERS

“Do Red States Build More? Gubernatorial Partisanship and Housing Outcomes” *with Louis-Philippe Beland*

R&R at *Public Choice*.

Estimates the causal effect of gubernatorial party on housing permits using a close election regression discontinuity with U.S. county level data from 1980 to 2020.

“The Impact of Gender Based Pricing Policies on Coverage in Long Term Care Insurance Markets in the U.S.”

Difference in Differences on Health and Retirement Study data over twenty two years to evaluate coverage responses to gender based pricing.

“Comparing Human-Only, AI-Assisted, and AI-Led Teams on Assessing Research Reproducibility in Quantitative Social Science” *with Abel Brodeur et al.*

Accepted at *Proceedings of the National Academy of Sciences of the United States of America* (forthcoming).

Contributions: replication-game participation and revision support.

RESEARCH IN PROGRESS

“AI Exposure and Employment in Canada: Evidence from the Launch of ChatGPT”

“Child Benefit Programs on Parental Health and Behaviors: Evidence from the CCHS”

WORK EXPERIENCE

Research Assistant (Carleton University) 2022 to 2024

- For Louis-Philippe Beland: integrated California judges, USCIS and high-frequency traffic data; built commuting-time panels; causal regression analysis; R, Stata.
- For Matthew D. Webb: implemented cluster-robust inference testing using R.
- For Zhiqi Chen: systematic FTTP market review across developed countries on demand/supply trends, consumer demand behavior, and competitive implications for ISPs.

Research Assistant (University of Illinois at Urbana Champaign) 2019 to 2020

- For Tatyana Deryugina: GIS data processing and merges; Difference-in-Differences analysis of agricultural responses to climate; visualization and reporting in ggplot2.

Teaching Assistant (Carleton University)

Key responsibilities: weekly tutorials; group-project guidance; in-lecture support and classroom organization; grading.

Undergraduate Level

ECON 1001 Introduction to Microeconomics	2021 Summer; 2024 Fall
ECON 1002 Introduction to Macroeconomics	2021 Winter; 2021 Fall; 2022 Fall; 2025 Winter
ECON 2009 Managerial Economics	2024 Fall
ECON 2220 Introductory Econometrics	2025 Summer
ECON 2708 Applied Data Analysis	2022 Fall; 2024 Winter
ECON 3602 International Monetary Problems	2021 Winter
ECON 4020 Advanced Microeconomic Theory	2022 Fall; 2023 Fall
ECON 4052 Corporate Financial Economics	2022 Winter

Graduate Level

ECON 5020 Microeconomic Theory	2022 Fall; 2023 Fall
ECON 5021 Macroeconomic Theory	2024 Winter

AWARDS AND SCHOLARSHIPS

W. Irwin Gillespie Graduate Scholarship, Carleton University 2024

Criteria: for the most outstanding Ph.D. student in the program.

Murray Goldblatt Memorial Prize, Carleton University 2023

Criteria: excellence in labour relations coursework and research.

International Doctoral Scholarship, Carleton University 2020 to 2024

Criteria: support covering the tuition differential between international and domestic full-time Ph.D. students.

Departmental Scholarship, Carleton University 2020 to 2025

Criteria: department-nominated scholarship recognizing strong academic performance.

Full-tuition exchange student scholarship, University of Akron, USA 2015 to 2016

SKILLS

R; Stata; Python; MATLAB; $\text{\LaTeX}$; Tableau
Mandarin (native); English (fluent)
